SECTION OFFICER

Andhra Pradesh Public Service Commission

REPORT

1). **Re-grouping of Services** - A committee, is constituted to prepare the proposals, verified all the recruitments which have been taken up by the Service Commission since last several years. There are about 267 categories of posts in various Departments of the State. In order to minimize the number of notifications, all these categories of posts are divided into 06 Groups as detailed below;

- i. State Civil Services-A
- ii. State Civil Services-B
- iii. State Medical Services
- iv. State Engineering Services
- v. State Teaching Services
- vi. State General Services

2). The above Regrouping is done based on the categories of posts, qualifications and pay scales. The details of regrouping of the posts are listed in annexure-I to VI. It is suggested that, there should be interviews for all the posts which fall under State Civil Services-A and State Teaching Services.

3). **Annual Calendar** - The Committee observed that, there was an abnormal delay in notifying the vacancies due to non receipt of concurrence of Finance Department in Government. Continuous recruitment and avoidance of delay is possible for the Commission only when the Heads of Departments furnish the indents of the vacancies well in advance to the Commission with prior approval of the Finance Department. The Departments should take up advance action to enable the Commission to plan and streamline their entire recruitment process systematically in order to have an annual calendar

4). The following procedure may be followed by the Heads of Departments right from the stage of estimation of vacancies:

- All the Heads of Departments shall submit the list of anticipated vacancies in the ensuing financial year by 30th November of the Financial year to the Administrative Department of Secretariat.
- The Administrative Departments of Secretariat shall examine the proposals of Heads of departments and make their recommendations to Finance Department by 31st December of the financial Year.
- The Finance Department shall scrutinize and accord sanction/clearance for filling up of vacancies department wise by 31st January of the Financial year. The Finance Department shall inform department wise sanction of the posts to Heads of Departments and as well as APPSC.
- Heads of Departments shall submit an indent showing the details of vacancies, posts sanctioned by the Government (fresh/carry forward vacancies) to APPSC by 28th February of financial year.
- Calendar of recruitments shall be prepared by APPSC by 31st March of the current financial year.

(G.O. Rt. No. 5691 G.A (Ser-A) Dept., dt. 13.12.2012 may be referred)

1/2/1

5). **Academic cell** - Though setting of Question Papers and preparation of Keys are entirely the subject of the examiners (Professors from various Universities), yet the Commission is targeted for the lapses committed by the Examiners.

To overcome the above problems and to plug the loopholes, it is imperative now to have an academic cell (counsel) in the Commission's Office, consisting two professors (belonging to Science and Humanities faculties) to advise the Commission on the matters relating setting of Question Papers, liaison with professors of various universities across the country, and publishing of final keys.

The main functions of the academic cell shall be as follows:-

- (a) To identify and provide panels of good subject experts / Professors from various Universities for setting question papers making question banks etc.,
- (b) To identify and provide panel of suitable moderators to verify the correctness of answer keys of various direct recruitments.
- (c) To ensure publication of correct keys to ensure justice to all aspirants.

The Commission's is of the opinion, that Government may depute two eminent professors belongs to Science and Humanities faculties, working in the universities such as Sri Venkatewara, Tirupathi, Andhra university, Visakhapatnam, Acharya Nagarjuna university, Guntur, Etc.

6). **Controller of Examinations** - It is noticed that several complaints are being received on mistakes in the question paper, translation of questions from one language to another language and delay in publishing keys/results. Though the Commission is trying to minimize such mistakes, still a few mistakes are occurring in question papers, translation of questions into other language and delay in publishing keys and results. This is due to over burden on the Secretary as he is already occupied with the work of administrative matters etc. In order to avoid such mistakes and delay in publishing results, the services of Academic Advisors at the level of Professor/Associate Professor on Deputation/Hire is required to assist the Secretary immediately. Apart from the above to bring focus to examination system, so that it remains error free and quality maintained, a post of Controller of Examinations needs to be created. In several Commissions like Kerala Public Service Commission etc. the post is kept separately.

The post of Controller of Examinations proposed to be sanctioned by the Government in the cadre of All India Services Officers / Group-I Officers / Professor of a University on deputation basis to oversee the Examination process under administrative control of the Secretary, A.P.S.C.

7). The procedure involved in conducting exams right from issue of notifications, receiving applications, identifying and finalizing the exam centers and generation of hall tickets at one level, on the other hand conducting of examinations on-line/off line mode, uploading the initial key, revised key, general rank list etc., is being followed. Most of the work is being implemented by using computer systems. The present computer network system, maintenance of web portal system etc. needs to be strengthened to meet the work load.

//3//

8). **Legal Cell** - It is also noticed that the Commission is receiving number of Legal cases from the aspirants. Due to these Legal cases, the recruitment process is getting delayed and in some cases, they are admitted at the time of declaration of the final selections. Therefore, it is necessary to appoint Legal Advisor to monitor the Legal matters starting from issue of Notifications to final selection of the candidates and other legal matters related to Commission's Office. The Legal Advisor may be taken on deputation from Government.

9). **IT Cell** - A separate detailed proposal will be submitted establish IT Cell in the Commission's office.
